SOUTH RIDING, Chantilly, VA

Right in the heart of South Riding! A stylish home built with a family-friendly layout and neighboring green space in front of the house for additional privacy. This home has spacious living areas with large windows, and the open kitchen design provides smooth transition between living areas. The large windows allow the morning sun to light up the breakfast area. The beautiful hardwood floors, crown molding, and 9-foot ceilings on the main level provide a comfortable atmosphere. The deck is shaded in the evenings and is perfectly located for outdoor dining and entertaining.

The upstairs is comprised of the primary bedroom with large bathroom suite (dual vanities and soaking tub) and spacious walk-in closet, three additional bedrooms, laundry is conveniently located here, and another full bathroom.

The finished basement provides plenty of flex/recreation space including a bar/kitchenette, a full bathroom, and room for a home office or additional sleeping area. The oversized rear-entry attached two-car garage provides ample storage space. The sun room is between the attached garage and main living area, so it doubles as a mud room. Plentiful parking between the two-car garage, driveway, and street parking.

numerous activities to keep you and your family as active and plugged into the community as you could possibly desire.
